

McGard®

Trailer Wheel Locks & Matching Lug Nuts

McGard wheel locks & lug nuts for boat trailers are made to the same high standards as our automotive line of products. For boat trailers with steel or alloy wheels, simply replace one of the lug nuts with a McGard wheel lock, that's it. Our wheel locks and lug nuts are machined from high quality steel, through-hardened and then triple-nickel chrome plated. Every McGard lug nut is guaranteed for life not to rust, chip or peel.

- 24132** Wheel Lock 7/16" x 20 TPI (pack of 4)
- 74042** Wheel Lock 1/2" x 20 TPI (pack of 2)
- 74043** Wheel Nuts 1/2" x 20 TPI (pack of 10)
- 64001** Wheel Nuts 7/16" x 20 TPI (pack of 4)

Outboard Motor Locks

Theft Protection for Outboard Motors.

McGard outboard motor locks are designed to lock the bolt that holds the outboard onto the transom of the boat. Simply replace one of the mounting nuts with a McGard locking nut. McGard outboard motor locks are identical in quality and construction to our stern drive locks. A free-spinning collar turns if attacked by gripping tools, protecting against costly outboard motor theft.

- 74036** 1/2" x 20 Thread Mercury
