

**FYRAN BOATS**

# 595 Horizon

The Fyran 595 Horizon is the ultimate combination of fishing boat and family cruiser. It has an exceptionally long waterline length compared to competitors, giving a soft, smooth ride in any conditions, as well as an easily driven hull for quick acceleration on to the plane. This hull shape also means less hp required, better fuel efficiency, lighter fuel loads, greater fishing range or a combination of them all!

The roomy cabin is fully lined and has full length bunks for the keen overnighiter, or just warm shelter from the weather for kids and crew.

The huge cockpit and massive boarding platform are great for fishing or diving. The extra long waterline and extra buoyancy aft provides great stability at rest for any movement around the boat.

The 595 is big enough to take all the family or fishing mates in any weather but still easy to launch and retrieve single handed.

Fyran's rugged 5mm aluminium hull has a combination of sealed buoyancy chambers and foam flotation giving a CPC rating of "UNSINKABLE" and total peace of mind.

## SPECIFICATIONS

LOA	6,080mm
Beam	2,180mm
Deadrise	16°
Hull Thickness	5mm
Max HP	115hp
Transom weight	25inch
Towing weight – Dry	1,160kg

## STANDARD EQUIPMENT

- ❖ Alloy footrests – 2
- ❖ Anchor locker hatch
- ❖ Battery isolation switch
- ❖ Bilge pump
- ❖ Boarding ladder
- ❖ Boarding platforms
- ❖ Boarding rails
